

**THE TRAINING IN RHYTHMIC GYMNASTICS IN BULGARIA
VARNA**

15 – 26 Jun 2018 year

POSITION

on holding training camps rhythmic gymnastics in Bulgaria, city of Varna

Training camp in Bulgaria is a wonderful opportunity for your child to not only practice, but also to relax, revitalize, because here beautiful nature, clean fresh air and nice clean water from the mineral springs, which contains fluorine and silicon. This water activates the child's immune system, lowers cholesterol in blood, regulates mineral metabolism in the body, improves metabolism, accelerates the elimination of toxins from the toxins and helps normalize the gastrointestinal tract. Also in Bulgaria there are beaches with easy water access, without threat to the health of your children fish, jellyfish and other inhabitants of the bottom.

Your child will train under the remarkable leadership of our coaching and teaching staff, will rest, develop and improve their skills, have fun and spend time, but most importantly to eat well, eat fruits, which have no harmful substances and other additives.
